## **INLAND WATERWAYS AUTHORITY OF INDIA ACT, 1985**

**82 of 1985**

**[30th December, 1985]**

Several committees set up by the Government of India have recommended declaration of important navigable waterways as national waterways and acceleration of their development for promotion of inland water transport in view of its low cost and for securing certain other advantages such as energy efficiency, generation of employment among weaker sections of community and less pollution. 2. The National Transportation Policy Committee has observed that the existing set up of Inland Water Transport Directorate in the Ministry of Shipping and Transport is not geared to undertake and discharge the responsibility for proper development of National Waterways as this is merely an advisory body without any powers to allocate funds for development schemes and their execution. To overcome this difficulty the committee recommended setting up of an independent authority for the development, maintenance and regulation of National Waterways. It is, therefore, proposed to set up an Inland Waterways Authority of India which would be an independent authority for the development, maintenance and regulation of

National Waterways for shipping and navigation and also to organise studies and investigation on waterways under consideration for declaration as national waterways. 3. The Bill seeks to achieve the above objects. -Gaz. of Ind., 28-8-1985. Pt. II. S. 2, Ext.. p. 14 (No. 53).
