JUTE MANUFACTURES CESS ACT, 1983

[7th September, 1983]

This Bill is complementary to the Jute Manufactures Development Council Bill, 1983. The Jute Manufactures Development Council Bill, 1983, seeks to provide for the development of production of jute manufactures by increasing the efficiency and productivity in the jute industry, financing of activities for such development and for matters connected therewith. For this purpose, that Bill seeks to provide for the establishment of a Council to be called the Jute Manufactures Development Council. The intention is to make over, after due appropriation by Parliament by law, the proceeds of the cess to the Jute Manufactures Development Council to enable it to perform its functions effectively. - Gaz. of Ind., 22-4-83, Pt.
